

Keota Community School District will plan to use the 20% set-aside to address the academic impact of learning loss or to accelerate learning through evidence-based interventions:

- Use of evidence-based gap recovery interventions in literacy
- Use of evidence-based gap recovery interventions in mathematics
- Use of evidence-based gap recovery interventions in social-emotional-behavioral health (SEBH), including mental health

Keota Community School District will plan to use the remaining ESSER III funds consistent with statutory requirements:

- Repairing and improving school facilities to increase safety and mass communication features throughout the district
