FAST AREADING

Next week, our K-6 students will be completing their final aReading FastBridge Assessments for the 2022-2023 school year. The aReading Assessment is a computer-administered adaptive screener that measures broad reading ability and predicts overall reading achievement.

EAGLEROCK!

Keota Elementary would like to shoutout and thank EagleRock! for the reading relay and performance on Wednesday! K-6 students also helped in raising \$150 for Thirst Project during Hat Day this week! Way to go Eagles!
