TEACHER APPRECIATION WEEK!

CLASSROOM & PLAYGROUND RENOVATIONS

Keota Elementary will be getting four classroom renovations & breaking ground on the playground project starting in June. We're excited for all of the elementary upgrades!

SUMMER SCHOOL

Due to the aforementioned renovations to the building & playground, the elementary will not be offering Summer School this year.

DEVELOPMENTAL KINDERGARTEN

Due to numbers, Keota Elementary will not be offering Developmental Kindergarten next school year. Instead, we will again be offering two sections of Kindergarten with Mrs. Hart & Mrs. Lathrop!
