### Trees for Kids

In some exciting news, Keota Elementary was awarded the Trees for Kids grant from the Iowa DNR! On Tuesday, September 24, each elementary class will be planting a tree on school grounds. Students will begin the day watching a video on tree planting with their Cross-Age Buddies and throughout the day each section will have a tree planting presentation from DNR forester, Ellie Jones.

### FAST aReading

Next week, 1st-6th Grade students will be taking their first aReading assessments of the school year. aReading assessments are computer-adaptive screeners that measure broad reading ability & help predict overall reading achievement.
