6th - Ryker Sheetz

## P/T Conferences

Mark your calendars! Parent-Teacher Conferences are coming up on Tuesday, October 15th, and Thursday, October 17th. Over the next week, please let teachers know if you have any conflicts with either date or to request a time that works best for you.

*It's a great day  
to be an Eagle!*

## Important Dates

9.30.24 - Midterms

## Categorical Weighting

Recently, our 4th-6th Grades set up categorical weighting rather than total points for their core curriculum grades. This includes: ELA, Math, Science & Social Studies. This change puts more emphasis on students learning content & developing skills, as well as, showing what they have learned from instruction. The categories include: Classwork (20%), Formative Assessments like Quizzes (35%), and Summative Assessments like Essays, Projects, and Tests (45%). We understand this change may impact student grades. If you have any questions or concerns, please contact Mr. Milledge.
