- ✓ 4.10.26 – Friday School

ISASPs Complete!

Keota Elementary worked through their Math & Science ISASP Tests this week. Make-up testing was completed on Thursday bringing our ISASP Testing to a close! KES staff is very proud of the efforts our students have put into their assessments again this year!

Power Hour of Play

On Thursday, our students & staff celebrated the 3rd Quarter with a Caring Schools Community Assembly, recognizing our Elite Eagles & enjoying a “Power Hour of Play!” Students brought in their favorite toys & games to share with friends – no batteries or electronics required – just creativity, laughter & fun.

Thank You

KES would like to thank & shout out Keokuk Co. Farm Bureau & Rural Revival for treating us for National Ag Week!
