Congratulations Landon!

Congratulations to KES 4th grader, Landon Bell, for being a National Math Star nominee! Last spring, Landon was 1 of (746) 3rd Grade students in the state of Iowa to score in the top 2% on the Math ISASP Test nationally. For that, he received a nomination to the National Math Stars Program – which selected just (17) students nationwide to join the 2025 cohort. What an awesome honor for one of our very own Keota Eagles!

It's a great day to be an Eagle!
