

VOL. 5 – NO. 1

WELCOME BACK EAGLES!

Back to School!

Welcome to Keota Elementary School for the 2026–2027 school year!

Our students and staff have had a fantastic first week! We've loved seeing familiar faces return and welcoming our new students and staff to the Keota family.

This week, we focused on getting back into the swing of things by establishing our school and classroom expectations, routines, and procedures. It's been great to see our students learning, growing, and settling into another exciting school year!

We're excited to dive back in next week and continue building a great year together!

Go Eagles! 🦅
