Week #4

Week 4 was another productive week at Keota Elementary! Students in K-6 completed FAST testing and SAEBRS screenings, giving our staff valuable information to help identify student needs and monitor progress.

During professional development, staff determined WIN (What I Need) Groups, which will begin next week. These groups will provide students with targeted support and instruction based on their individual reading needs.

IMPORTANT DATES

- ✓ 9.22.26 – School Picture Day / Bond Open House & Tour (6 PM)
- ✓ 9.24.26 – Midterm
- ✓ 9.25.26 – No School (“Off” Friday)

Title I

We are finalizing our Title I rosters to identify students who may benefit from additional reading and math support. Mrs. Sprouse will be connecting with parents of eligible students over the next couple of weeks to share information about Title I services and how we can best support our students.

Thank You!

Keota Elementary would like to thank the community stakeholders who attended this week’s Tax Impact Meeting! We appreciate your time, questions, and continued interest in the future of Keota Schools.
