Week #5

We've officially reached the midterm of the first quarter! It's hard to believe how quickly the year is moving, and our Eagles continue to learn, grow, and make progress each day! This week, we began progress monitoring in reading and math. We also kicked off our first round of Reading WIN (What I Need!), providing students with targeted instruction and support based on their specific learning needs. And, of course, we had School Picture Day! We're looking forward to seeing all those great Eagle smiles!
