Week #6

What a great week of learning and growing at Keota Elementary! This week, our students participated in our Fire Prevention Week Coloring & Poster Contests, showing off their creativity.

We also had some exciting milestones in Kindergarten as a few of our students counted all the way to **100!**

It was another great week filled with learning, growing, and celebrating our students. We are proud of all the hard work happening in our classrooms!

IMPORTANT DATES

- ☑ 10.5–10.8 – Fire Prevention Week
- ☑ 10.6.26 – Bond Open House & Tour (6 PM)
- ☑ 10.9.26 – No School (“Off” Friday)

Fire Prevention Week

Keota Elementary School is looking forward to an exciting Fire Prevention Week next week! Our students have a fun-filled week ahead, including visits from local firefighters, firetruck rides, and buddy activities at the fire station. We're excited to learn more about fire safety, meet some of our community heroes, and have a little fun along the way!
