- ✓ 10.14.26 – Kindergarten Field Trip
- ✓ 10.15.26 – End of 1st Quarter
- ✓ 10.16.26 – No School
(Professional Development)

Week #7

This week, we celebrated Fire Prevention Week with visits from our local firefighters! Our students enjoyed classroom visits to learn about fire safety, and our Coloring and Poster Contest winners were treated to exciting firetruck rides! Our cross-age buddies also took a trip to the fire station together to learn more about fire safety and the important work our local firefighters do for our community. We appreciate our local firefighters for taking the time to visit our school and help keep our students safe!

Family Reminder: Take a few minutes this week to review your family's fire escape routes at home. Make sure everyone knows two ways out of each room and where to meet outside in case of an emergency.

Thank you to our local firefighters for helping make Fire Prevention Week educational and memorable for our Eagles!
