Week #9 Recap

What a great week at Keota Elementary! Picture retakes were done on Monday! We celebrated our Q1 Caring School Community assembly! We recognized our Elite Eagles and had a great time with a school-wide BINGO game that all students participated in! Thank you to all the parents and guardians who were able to attend parent-teacher conferences this week. We appreciate your time, support, and partnership in helping our students succeed! Thank you for another great week of learning, celebrating, and growing together. It's a great day to be an Eagle! 🦅
